If it's time to build your bottom line, then it's time to get your business flyers into the hands of your consumers again. The University Of Sydney says 'Junk Mail Works' so we have put together this killer deal. (See article - <http://sydney.edu.au/news/84.html?newsstoryid=9107>)

For the month of June we will print your flyer and distribute it throughout your target area from as little as \$68 per thousand. "How good is that?"

If you're needing a fresh look, have HPIP's design team create a smashing new design for a small additional fee.
